BT: brook trout BR: brown trout LT: lake trout RT: rainbow trout SP: splake

Brook trout and lake trout are fin clipped to allow identification of naturally reproduced fish and assess stocking success

Fin Clip Codes: L: left, R: right, P: pectoral fin, V: ventral fin, AD: adipose fin

All fish are stocked as spring yearlings, except rainbow trout (fall fingerlings)

Rainbow trout and Splake are not fin clipped (do not reproduce)
